

Clow Airport Bolingbrook IMC Club Meeting

IMC Club, through its nationwide chapters, provides organized "hangar flying" focused on building proficiency in instrument flying. Believing that safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios to engage our members and allow them to share and build their experience. You do not have to be instrument rated to attend.

Membership in club is not required to attend.

Directions: From I-55 go North on Weber Rd to Clow International Parkway (called Veterans Parkway to the East) then turn left, go to the end of the road and turn right at the airport sign. Go past the stop sign to parking lot at the end of the roadway. The Illinois Aviation Museum hangar faces the runway and is directly across from outside display aircraft. Entrance to the hangar is door on right as you face hangar.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
